*My favorite song and music artist is “City on a Hill” by Toby Mac.*

*My favorite vacation spot is anywhere with the people I love. If I'm being honest.....The Louvre in Paris, France*

*What do you plan to do after you graduate?*

*I plan on going to college. I will be attending Pensacola Christian College.*

*Where will you be in 10 years?*

*I will be exactly where God wants me to be!*

*Please share your personal testimony and what a relationship with Jesus means to you?*

*I was raised in a Christian home. I have been exposed to the Scriptures all my life. I have learned to trust God and rely solely upon Him. As I have grown and started to understand what it meant to truly trust God, I began to have a personal relationship with Jesus. Who I am, this is all because of my relationship with Christ. Granted, I am human, but when walking in His will, and depending only upon Him, that is when I am truly myself. He is still molding me into His servant, and I know that He will never be through...this is my hope.*
